FALL EDITION

## 398 Total Missions Flown

### Mission Report

### Pilots for Christ Mission Support

For 2004, donations have been \$41,580, and expenses have been \$19,477. God continues to smile upon us, and we are grateful. We are undeserving, but He is a Gracious God, inclined to bless, so we thank Him who makes all this possible.

This we flew 17 missions bringing our total to 398. God continues to watch over our safety, especially with our area's typical afternoon thunderstorms.

E.J. Tenney flew Angela Wasden, who suffers from a severe neck injury, to North Carolina where another Pilots for Christ chapter flew her to Virginia for specialized treatment. We assisted little Mathew Golden in returning home from Atlanta. Shortly afterwards, he passed away, so please pray for his parents, Vickie and Jerry. Terry Chapman flew Jeanette Coburn to and from Little Rock, AK for cancer treatment. He also flew Keith Landers to Baton Rouge, LA to board another flight to Houston, TX for cancer treatment.

We flew Andy Counselman of Thomasville, AL to Houston for cancer treatment. Robert Sanders of Beatrice, AL was flown to Little Rock for his cancer treatment. Finally, we flew Blake Witherington to Monroeville from San Antonio.

Our entire chapter would like to thank the many people who take time to ride along with us and assist the people we fly. They take care of the physical needs of the passengers to keep them comfortable, and care of the spiritual needs to keep them in God's peace. Here's a short list of these "Air Angels:" Ladell Blanton, Carol Banks, Peggy Jaye, Gary Miller, Glenn Eubanks, Bill Milburn, Tim McKenzie, Vickie Dunning, Dick Deas, Fred Kelly, Cecil Chandler, John Estes, Jr., Bob Ellis, Phillip Allen, Woody Bullard, Ditty Moore, Sandra Dunn, and many more. May God bless all of you as you bless others!

### From the President...

January has always been the best month to look toward the future, and to dream. December has always been the best month to celebrate the present and enjoy good tidings.

But, to me, November is the very best month of the year to look back and be thankful. Every time I do look back, it seems that it's always the "little things" I'm most thankful for. Things like good health, that I take for granted. Things like the ability to see, smell, and touch. Things like a blue sky and gentle winds. And after hurricane Ivan's visit to us, I am so much more appreciative of a majestic old oak tree, a homeowner's yard in perfect condition and a hot shower!

I'm thankful for friends who know me, and yet still care. For employees who are honest and loyal. For family that in a time of need can be counted upon.

Maybe things in your life are not yet back to normal; maybe they never will be. But, our God has kept us safe through the storm. He has provided for us in ways we could never imagine, and He has been faithful through every difficulty to BE WITH US. This is who I am most thankful for. IMMANUEL — GOD WITH US! I'm really not sure how anyone lives in this world today without the Lord.

"Father, forgive me for taking You for granted, and please know today I recommit to giving You all the praise and glory." With a heart bent toward **thankfulness**, I pray this prayer. I hope it is your prayer, also.

Happy Thanksgiving,

Tommy Lee
