## 164 Successful Missions Flown

*Local Chapter to host 1999 Pilots for Christ International Conference*

*Ministry  
Newsletter  
July 1999*

We have flown 7 trips since our last newsletter in April 1999, bringing our total to 164 successful trips since we organized nearly five years ago. Pilot Terry Chapman flew Kathy Price from Dothan to Baton Rouge, La. Kathy suffers from cancer and was having treatments in Houston. Terry also flew Ivana Polic of Altamonte Springs, Fla., to Baton Rouge to meet an Air Lifeline flight to Houston. She suffers from deterioration of the brain and is only 15 years old. Please pray for Ivana and her mother Miriam. Pilot Terry Kilpatrick flew Jeanette Coburn and Ken Hallmark to Little Rock, Ark. Both have cancer. Please pray not only for them, but for their families. Pilots Tommy Lee and Tim Tiree flew Ken Prestridge and his wife Lana to New Orleans for a connecting flight to Texas. There was an unexpected death in their family. Tommy also flew Annie Mae Nix and her son to Little Rock where she had a bone marrow transplant. She will be hospitalized for three weeks, so please pray for both of them.

All these concerns just bear evidence to the truth of Jesus' words when he said the poor, sick and needy you will always have. Blessed

are those who respond in love to help those at their time of need.

### MINISTRY SUPPORT

*Financial gifts to the ministry for the second quarter of the year totaled \$1,198 and our expenses (fuel costs or financial assistance for other emergency flights) have been \$1,592. Thank you all for giving to God's work. Your continued support through prayer is much appreciated.*

### FROM THE PRESIDENT

I have some exciting news for you. Our South Alabama Chapter has been selected to host the 1999 Pilots for Christ International Conference. The dates have been set for September 17 through September 19. Please mark your calendar and begin to pray for this conference. We'll be getting out more details on the meetings later. In the meantime, some of the specific things you can pray for are:

- Good attendance
- Good weather
- Safety for those traveling
- The Holy Spirit to move among our members

- A time of refreshing for God's servants
- Accommodations, meals, speakers
- Finances

I believe there will be a lot we can learn from these true servants of God. I also believe, however, that we can help them by sharing the ways that we operate. God has been so good to us, blessing us with people who love Him so much that they are willing to give of their time, money and talents to further His kingdom and serve those in need.

Remembering that this is God's ministry, let us all pray that His will be done during this conference.

To His Glory,

Tommy Lee
