“Our Greatest Asset is the Favor of God”

1,000th Mission Flight!

Pilots for Christ, Inc., flew mission number 1,000 on Monday, August 6, 2012! We flew Wilbert Elmore, (center) of Jackson, Alabama to Houston, Texas for specialized treatment of his Renal Cell Cancer. Also pictured (from left to right) are pilot Pat Flanagan, Faye Elmore, pilot Tommy Lee, and Wilbert's daughter, Sandra. The Good Lord lifted the early-morning fog and this was one of our smoothest flights ever into Houston!

From the President.....

Wow! 1,000 safe mission flights! Praise God! We finally achieved this milestone. Looking back over the last 18 years, so many people have done so much to make this ministry successful. I won't call names as I'm sure I would miss someone, but our pilots have been very dependable, our prayer chain partners so faithful to cover us while we fly, and our supporters, not only in monies, but also in services, have been so loyal to support this ministry.

It has been our high honor and privilege to serve so many people in their time of need, and we thank God that

we “get to” help them. This has been a tremendous blessing to me personally as well.

Now, as I look forward to our next 1,000 missions, I pray that God would bless us with our own airplane, and indeed enlarge our territory, and that His hand would be upon us as we serve...**ALL FOR HIS GLORY!** (1 Chronicles 4:10:)

In His Service,

Tommy Lee
