Does the patient's condition require this form to be updated? Yes \_\_\_\_\_ No \_\_\_\_\_ If so, how often \_\_\_\_\_

To the best of my knowledge, this patient/family is eligible for charitable transportation. I am sufficiently familiar with aviation physiology to be of the opinion that this patient can travel in small aircraft at ambient pressure altitudes up to 11,000 feet above sea level, and that said patient has no need of medical assistance before, during, or after the flight.
